## Navtor AVCS ENC Install Guidance:

- Select Chart\Management\ENC\S57 check the ENC access code still shown 16 Number digits, and it is stated **Purchased**? This is the S57 Compiler Licence
- Then select Encrypted\ and the Maintenance Tab

- Insert your Navtor Navstick and upload the SA Certificate IHO CRT, and as AVCS then install the Public Key - answer is 'Yes' and install IHO.PUB' If you do not have Public Key as 'No'.

Files located in the Navstick\Info\Navtor\Cert folder:

- As long as box between Copy and Install was checked charts will start to auto compile.
- At the end of the process should report COV Creating.
- Finally check the Log/Install history ensuring all is order.
- Then open Chart File\Chart\Open etc
- Now do you have ENC charts??
