ARCS Navigator

ARCS Navigator licences are sold on an annual basis. The price includes a weekly update and new edition service. Unit price is £18 with a £100 minimum charge (equivalent to 6 charts). Bulk discounts on individual charts are as follows:

0-44	0% (£18)
45-99	10%
100-199	20%
200-399	30%
400+	40%

Additional charts & folios bought during the licence period will expire on the same date as the original licence and attract further discount:

Elapsed Time	Discount
0-3 Months	0%
4-6 Months	25%
7-9 Months	50%
10-12 Months	75%

A single ARCS Navigator vessel licence includes the right to display the charts on up to 5 VDUs (such as for passenger information systems).

ARCS Navigator Folios

ARCS Navigator Folios offer annual licensing of all ARCS charts on individual, multiple, or all Area Disks, and include Weekly updates and New Charts/New Editions. Prices for ARCS Navigator Folios are as follows:

Number of Area Disks	Unit price per chart
First Area Disk	£1,100
Subsequent Area Disk	£1,100
All Area Disks	£6,000

If you need limited numbers of charts from other Area Disks, the price for the additional charts will be the unit price quoted but at the volume discount appropriate for the whole package (i.e.number of charts on the Area Disks + number of additional charts).

Extra Area Disks can be provided during the licence period at further discount. Additions within the first 4 months of the licence cost **£1,100** per Disk. Additions between 4-8 months are **£733.26** per disk, and those within 4 months of expiry are **£366.63** per disk. All additions will expire on the same date as the original licence.

Weekly Update CD delivery options

We can despatch Update CDs to a single pre-arranged address (which can be changed during the year), or we will email you each week for delivery instructions for the current week's update. Postage is extra and can be quoted on request.

ARCS Multi-User Licence

ARCS Navigator licences allow the use of ARCS charts within a network server linked to multiple terminals. The licence allows up to 5 users to view the data at any one time. If you wish to view ARCS charts on more than 5 concurrent displays, then a multi-user licence is required. The pricing schedule for multi-user licences is shown below:

Users	Licences
1-5	1
6-10	2
11-15	3
16-24	4
25+	5

Conditions

1. The terminals must not store the data.
2. The structure is based on concurrent users, not number of terminals.
